TOPIC: Field Utilization Requirements for Recreation Fields		
ISSUED BY: City Council on 11-17-2020	NOTE: Replaces Policy from July 21, 2009.	Effective Date: January 1, 2021

I. GENERAL

The City of Papillion desires to provide adequate recreational facilities for all who wish to participate in various sports and to assure the health, safety and welfare of all persons participating in events sponsored on the city’s athletic fields.

II. PURPOSE

The purpose of this policy is to define the requirements that must be met in order to engage in scheduled use on City of Papillion recreation fields. This policy applies to all organizations scheduling the use of Papillion recreation fields that are not part of the Recreation Department.

It is the intent of this policy to have the requesting organizations complete and comply with all requirements of the Field Utilization Guideline.

III. REGISTRATION

Registration of individual players is the responsibility of the organizations. The name and address of each player shall be forwarded to the City of Papillion Recreation Department seven (7) days before the respective season is to start.

Select Baseball programs that do their team drafts in the summer and fall prior to their spring seasons must have their team rosters completed and turned in to the Recreation Department no later than October 1 of the year prior to their playing season.

After rosters have been received, each organization will be invoiced for their rental fees and must be paid in full within two weeks from the start of their season.

Individual players may be added to teams after the initial registration, so long as the additional players do not result in the team losing its “Recognized User” status. The additional names and addresses of new players shall be submitted to the City of Papillion Recreation Department.

The following organizations are Recognized Users on Papillion’s outdoor athletic fields:

1. The Papillion Recreation Department is a permanent Recognized User and has first priority for the assignment of scheduled time on any of Papillion’s outdoor athletic fields.
2. The Papillion-La Vista School District Athletic Teams,

3. American Legion Baseball shall only be a Recognized User status so long as at least 80% of the players shall be residents of the City of Papillion or attendees of a school within the Papillion-LaVista School District.
4. Sports organizations shall have Recognized User status so long as at least 60% of the rostered players in each sport of the organization are Papillion residents. For purposes of this calculation, all Papillion addresses are considered Papillion residents. The organizations which are currently included under this provision include:
 - a. Papillion Recreation Organization
 - i. Recreational Baseball
 - ii. Papillion Storm Chasers Select Baseball
 - iii. Recreational Softball
 - iv. Papillion Outlaws Select Softball
 - v. Papillion Soccer Club Recreational and Competitive Soccer
 - b. The Sarpy County YMCA (Papillion Teams Only)
 - c. Spirit Football Organization

Non-conformity with the guideline residency expectations will result in the loss of Recognized User Status, Priority of Status and Field Use Time. Reinstatement will require approval by the Papillion Recreation Director.

New sport organizations may apply for Recognized User status if they meet the residency guideline. Applications will be submitted to and approved by the Papillion Recreation Director. Priority for assignment of scheduled time on any of Papillion’s outdoor athletic fields will be given first to those Recognized Users listed above, and then to any new organizations which are subsequently granted Recognized User status in the order such status is granted.

Non-recognized users will only be assigned time after all Recognized Users have been scheduled. In the event any current Recognized User loses such status, but is later reinstated, that organization will be moved to the bottom of the Recognized User priority list.
